

Victory for Nazionale Piloti

Nazionale Piloti won the 2015 edition of the "Pit Stop for Solidarity" charity football match against Nazionale Calcio with a score 6:2, thanks to goals from Fisichella, Perez, Ghirelli, Meacci and two goals from Cois.

Bosnia and Herzegovina's most successful racing driver and Nazionale Piloti's attacker, Boris Miljevic, played alongside Fisichella, replacing RedBull's Daniel Ricciardo, in the front of the field. Although he didn't score this time Miljevic had one of the best performances on the field.

"I am so happy right now. We did our best on and off the field and we won another charity match, this time against Nazionale Calcio, with great result 6:2, raising over 17.000 EUR for charity. It was an honour to play alongside those great racing drivers, especially alongside Giancarlo Fisichella who was one of the best players on the field and our team captain who led us to the victory. We scored very early and we were able to secure the good result at half-time. In second half we were able to get the right rythm and manage to score more goals finishing this match with another victory. I am happy that mr. Mario di Natale counts on me for coming matches and I am sure that I will score my first goal for the team very soon." - said Boris.

Thanks to the great audience at the Stadio Brianteo, 17.700 EUR is raised for charity organizations: Maria Leticia Verga, Heartbeat Moving Children, Progetto Slancio and Casa del Volontariato.
